First Job

Finishing school or university and stepping into your first job is exciting but can feel daunting. Whether you're joining a new employer or taking over the family farm, there are important details to get right. [We'll make sure your employment contract is fair and clear](#), so you can start your career with confidence.

Becoming your own boss is exciting, but the paperwork can feel overwhelming. [From leases and purchase agreements to staff contracts and even updating your Will, there's a lot to get right.](#) We'll guide you through every step, so you can focus on growing your business with proper support.

First Business

Relationships Protecting your assets and caring for your family matters in both good times and difficult ones. [We can help with Wills, trusts, and contracting-out agreements to safeguard your future.](#) If separation does occur, our team will guide you through property division with sensitivity and expertise.

Purchasing a home is exciting, but it comes with important legal steps. From contracts and KiwiSaver applications to loan documents and insurance, [our property experts make the process simple and stress-free.](#)

Home Ownership

Children

Welcoming children into your life brings joy – and new responsibilities. From guardianship to protecting assets for blended families or children with disabilities, [Edmonds Judd can help you plan with care.](#) If separation happens, we'll support you through it with sensitivity, always keeping your children's best interests at heart.

Stepping back from the farm or leaving the nine-to-five is a big transition. [From succession planning and protecting assets to moving into a retirement village or updating your Will and enduring powers of attorney, we will guide you through every detail.](#) We'll ensure your affairs are in order so you can retire with peace of mind and confidence for the future.

Retirement

Health Issues When health concerns arise, the last thing you need is extra stress. [Having a Will and enduring powers of attorney in place ensures your wishes are clear and your family or business is protected.](#) We will guide you through these important steps with care.

Losing a loved one is difficult enough without the stress of legal complexities. [At Edmonds Judd, we'll guide you through the estate process with clarity and care, making sure everything is managed smoothly.](#)
